"If this is what Juncker calls diplomacy, he needs to take a long hard look at himself." - UKIP MEP Nigel Farage, EFDD Group Leader.

Press Release

â€¢ Responding to [comments today](#), by Commission President Jean-Claude Juncker, that the EU will campaign to break up the USA if Trump continues to support Brexit and other countries leaving, UKIP MEP Nigel Farage said:

"Juncker has made a complete fool of himself. He clearly does not understand the difference between the EU and the United States of America.

"One was formed by consent while the other is being imposed.

"The US is an organically formed nation with a single language and similar culture while the cultural and linguistic differences in the EU are immense.

"If this is what Juncker calls diplomacy, he needs to take a long hard look at himself."
