

Nigel Farage on Theresa May's free movement climbdown

19/03/2018 21:17 by webmaster

â€œ Responding to news that EU mass immigration into UK will continue during transition period, UKIP MEP Nigel Farage said:

"Theresa the Appeaser has let the people down again.

"After vaunting her so-called red lines she quickly rubs them out under EU pressure.

"She's like the Duke of York marching the troops to the top of the hill to march them down again.

"She's totally useless and must go."
